

# Adaptation

Draw lines to match the adaptation to the correct animal.

KS1  
POST VISIT

I have wings to fly

I have waterproof feathers to keep me warm and dry

I have big eyes to spot predators

I have strong legs to run away from predators quickly

I have webbed feet to paddle through the water

I have large ears to listen out for predators

I have sensitive whiskers for feeling all around me

I have a beak for filtering food from the water
