

FOR IMMEDIATE RELEASE 17/1/25

Unleash the Fun at Our Upcoming Events: Superheroes, Princesses, and Special Guests Await!

Get ready for an unforgettable lineup of family-friendly events to kick off 2025, at the Rare Breeds Centre, Woodchurch! From thrilling superhero adventures to magical princess encounters and special visits from some beloved characters. There's something for kids of all ages to enjoy!

On Saturday, January 25th, we invite you to join us for Superhero Day. Visitors will have the chance to meet the amazing Spidey and listen to him during two interactive storytelling sessions in the Discovery Zone at 11am and 1pm. The fun doesn't stop there, little ones can test their hero skills on an adventurous farm trail, solving clues and embracing their inner superhero. Head to the Main Paddock at 2pm, where Spidey will be on the lookout for the most creative and heroic costumes. So, make sure to bring your little superheroes dressed up!

On Saturday 15th February, we will be bringing the magic of fairytales to life with Princess Day. Visitors can explore the farm trail and solve fun clues as they venture around. A real-life princess will host two enchanting storytelling sessions in the Discovery Zone at 11am and 2pm. The day will also include a costume competition in the Main Paddock at 2pm, where little royals can dazzle the judges. For those who wish to step fully into their royal roles, a face painting station will be available for a small fee.

On Saturday 22nd and Sunday 23rd March, we are thrilled to be welcoming Ben and Holly from Ben & Holly's Little Kingdom to the Rare Breeds Centre. They will be making five scheduled appearances at intervals each day, so lots of time to meet the duo and capture some magical moments.

While attending any of these events, visitors can also enjoy all of the usual activities available on the farm. The Children's Barn offers the chance to meet our farm animals up close. The indoor soft play area and outdoor play parks, which include zip wires, adventure trails, a tunnel maze, swings, and a giant tyre snake, promise hours of entertainment. Additionally, our popular tractor-trailer rides will be running throughout the day. And our Granary Restaurant will be open serving barista coffees and lots of delicious food from hot meals to light snacks, with vegan and gluten-free options available and the choice of alternative milks.

Notes to Editors:

The Rare Breeds Centre is operated by Canterbury Oast Trust (COT), a Kent charity supporting adults with learning disabilities and autism. The farm is not only a visitor attraction, but also part of our life skills programme offering opportunities for our supported people to gain skills such as animal care and horticulture, customer service and catering. Every visit to the farm helps to support the work of the charity and enrich the lives of the people we support.
